Mathematics Component of NJGPA – Unit 1

Using the Test Administrator Script

The administration script in this section will be used for Unit 1 for the Mathematics component of NJGPA. The script must be used with the *Spring 2023 Test Administration Manual*. On the first read, through Test Administrators (TAs) are required to adhere to the scripts provided in this manual for administering the Mathematics component of NJGPA. Read word-for-word the bold instructions in each “Say” box to students. Do not modify or paraphrase the wording in the “Say” boxes. Some of the “Say” boxes are outlined with a dashed line and should **only** be read aloud if they are applicable to the students testing. Some directions may differ slightly by unit and are noted within the administration script. Text that is outside the “Say” boxes includes directions for the TAs to follow and should not be read to the students.

Write the starting time and stopping time in the timing box (Figure 2.0 of the *Spring 2023 Test Administrator Manual*, Timing Box Example). Actively proctor while students are testing:

- Redirect students as necessary (Section 2.9.1).
- Collect test materials as students complete testing (Section 2.10).
- If students have questions about an item, tell them, “Do the best you can.” (Section 2.8)
- If students indicate that a test item seems irregular, refer to Section 7.3.1.

Instruction for Taking a Break during Testing

The following are permitted during test administration at the discretion of the TA:

- One stretch break of up to three minutes is allowed for the entire classroom during testing for each unit. The stopping time should be adjusted by no more than three minutes if there is a stretch break.
- Individual restroom breaks are allowed during testing (do not adjust stop time except for students who have frequent breaks in accordance with row 2f of Table 2, Administrative Considerations, in the [Accessibility Features and Accommodations \(AF&A\) Manual](#)).

TAs must adhere to the following security measures:

- Students must be supervised at all times during breaks.
- Test booklets must be closed or covered.
- Students are **not permitted to talk to each other** during testing or during breaks.
- Students are **not permitted** to use unauthorized electronic devices, play games, or engage in activities that may compromise the validity of the test.

If taking a three-minute stand-and-stretch break during the unit:
