Using the Test Administrator Script

The administration script in this document will be used for all units of the English Language Arts (ELA) component of NJGPA. The script must be used with the *Spring 2024 Test Administration Manual*. On the first read through, Test Administrators (TAs) are required to adhere to this script for administering the ELA component of NJGPA. Read word-for-word the bold instructions in each “**Say**” box to students. Do not modify or paraphrase the wording in the “**Say**” boxes. Some of the “**Say**” boxes are outlined with a dashed line and should **only** be read aloud if they are applicable to the students testing. Some directions may differ slightly by unit and are noted within the administration script. Text that is outside the “**Say**” boxes includes directions for TAs to follow and should not be read to students.

ELA Component of NJGPA Testing Times and Materials – All Units

Unit	Unit Testing Time	Required Materials	Start Time	Stop Time

Unit 2	90 minutes	<ul style="list-style-type: none"> • Student testing tickets • Pencils • Scratch paper • Headphones 		

Before students can begin testing, the test session must be started in PearsonAccess^{next}. Additionally, the unit must be unlocked (refer to **Section 4.2** of the *Spring 2024 Test Administrator Manual* for more information). Speak to your School Test Coordinator (STC) to determine who will complete these two tasks prior to testing. TAs must make sure all testing devices are turned on and have the TestNav app open. Make sure all testing devices display the **Sign-In** screen as shown under the Checking Audio section. Make sure headphones are plugged in for all students and do an audio check prior to launching TestNav.

It is critical to ensure that students have the appropriate accessibility features and accommodations prior to testing. To verify student accessibility features and accommodations, reach out to your STC. Refer to **Section 6.1** and **Section 6.2** of the *Spring 2024 Test Administrator Manual* for further instructions on how to check accessibility features and accommodations.
